

EBIN REJI

UI/UX DESIGNER AND CODER

About Me

I'm an aspiring computer engineer with a passion for **UI/UX design**, **web development**, and **Python** programming. I enjoy building digital experiences that are easy to use, visually appealing, and functional. I also like exploring AI tools such as **Lovable**, **Bolt**, **Gemini**, and others to speed up my design and development work. I love combining **creative design**, **coding**, and **AI** to bring ideas to life and create apps that people actually enjoy using.

Experience

(2025 - ON GOING)

IEEE SUB EXECON PROGRAM COORDINATION TEAM

IEEE SB SBCE

- Coordinated and supported various IEEE events, workshops, and programs.
- Worked closely with team members to ensure smooth event planning and execution.
- Gained hands-on experience in teamwork, communication, and organizational skills.
- Contributed to enhancing the student community through active participation and collaboration.

(2025 - ON GOING)

MULEARN SBC

UI/UX IG LEAD

- Leading the UI/UX team to design engaging and user-friendly digital experiences.
- Mentoring peers and juniors in UI/UX design principles, prototyping, and design tools.
- Organizing and coordinating design-related activities, workshops, and challenges within the μLearn community.
- Encouraging innovation and collaboration while building a strong design culture in the community.

Education

(2021 -2023)

CBSE

Higher Secondary

7.45

(2023 -2027)

APJ ABDUL KALAM UNIVERSITY

B-Tech In Computer science
and engineering

7.55
